PROFESSIONAL EXPERIENCE

Commercial / uncontested

Luke has more than 15 years' experience in undertaking valuations of assets, businesses, shares, share classes or other derivative instruments.

Many of these valuations are not part of any litigation but are commercial valuations for contemplated transactions and restructures.

PROFESSIONAL EXPERIENCE

Start-ups / ESOP

Luke is regularly engaged to undertake valuations of 'Start-up' business for purposes such as capital raising, employee stock ownership plans and share sales between existing shareholders.

Often, these valuations require an assessment of value of varying share classes.
